WHO IS VANESSA ?

Metin YILMAZ, the founder of our company, stepped into the curtain sector in a small shop in Istanbul in 1987. Metin

Yilmaz's innovative perspective and professional workmanship have carried the company to the present day. Our Merter store in 2007 opened our architectural office next to our Merter branch in the same place in 2010. In 2017, steps were taken to the Black Sea region and our branch was opened in Rize. In June 2022, our 4th branch in Bahçelievler became operational. Our company entered the wholesale tulle - fabric sector in 2016. There are 147 sales points, both abroad and domestically.

CHOOSE

As Vanessa, in the first stage of our design process, we take the first step towards choosing the curtain that will provide the most harmony to your homes by making a correct diagnosis in line with your wishes and needs.

MEASUREMENT

After the analysis phase is completed, we determine the design dimensions that will be suitable for your living spaces by making the most accurate measurement.

PROJECT

In line with your style and wishes, we project our decoration ideas that will best suit your living spaces.

DELIVERY AND ASSEMBLY

It delivers your completed designs to you in the fastest and most trouble-free way and performs the assembly.
